INVITATION
(CALL FOR PAPERS)

CECAR
CIVIL ENGINEERING CONFERENCE IN THE ASIAN REGION

The Asian Civil Engineering Coordinating Council
organises
A Triennial International Mega Event
on
21, 22, 23 SEPTEMBER, 2022
at
Goa - India
(The Land of Beaches and City of Churches)
on
“Sustainable Design and Eco Technologies for Infrastructure”

Hosted by:
The Institution of Civil Engineers (India)
Website: www.cecar9.com

ACECC
(Asian Civil Engineering Coordinating Council)

ACECC was established on September 27, 1999 in Tokyo with 5 Civil Engineering Societies
namely ASCE, CICHE, JSC, KSCE and PICE to promote collaborative work towards Sustainable
Development of Infrastructure within the Asian Regions. ACECC Membership is open to world
wide professional organization that comply with the criteria laid down by ACECC.

At present there are 14 member countries of ACECC as under :-

- American Society of Civil Engineers (ASCE)
- Engineers Australia (EA)
- The Institution of Civil Engineers, India (ICE(I))
- The Institution of Engineers, Pakistan (IEP)
- Korean Society of Civil Engineers (KSCE)
- Nepal Engineers' Association (NEA)
- Vietnam Federation of Civil Engineering Association (VFCEA)
- Chinese Institute of Civil and Hydraulic Engineering (CICHE)
- Indonesian Society of Civil and Structural Engineers (HAKI)
- The Institution of Engineers, Bangladesh (IEB)
- Japan Society of Civil Engineers (JSCE)
- Mongolian Association of Civil Engineers (MACE)
- Philippine Institute of Civil Engineers (PICE)
- Federation of Myanmar Engineering Societies (Fed.MES)
CECAR (Civil Engineering Conference in the Asian Region)

The International Conference organized by ACECC is CECAR which is one of the major activities of ACECC. Leaders and decision makers from academia, industry, and the public sector get together to discuss the issues of infrastructure development in the Asian Region and disseminate developments and potential solutions to the world.

CECAR is held every 3 years with participants from ACECC member countries and others.

Who can Attend CECAR

Civil Engineering Professionals and Engineering Fraternity from all over the world (Civil Engineering Practitioners, Students, Academia and Industries) are invited to participate in this Mega International Event organized by the Institution of Civil Engineers (India) in Goa from September, 21–23, 2022.

SO FAR 8 CECARS HAVE BEEN ORGANIZED AT THE VARIOUS PLACES AS UNDER :-

**Venue For CECAR 9**

CECAR 9 will be held at Goa, India (The Land of Beaches and City of Churches) from 21st – 23rd September, 2022

---

**THEME: SUSTAINABLE DESIGN AND ECO TECHNOLOGIES FOR INFRASTRUCTURE**

<table>
<thead>
<tr>
<th>SUB-THEMES OF THE THEME</th>
<th></th>
</tr>
</thead>
</table>
| **I. Civil Engineering Education** | 1. Sustainability of Civil Engineering Education in the context of UN S.D.G  
2. Ethics an important component of Civil Engineering curriculum. |
| **II. Infrastructure Design and construction technologies.** | 1. Innovative infrastructure, design practices and construction technology for sustainability.  
2. Infrastructure development for smart and sustainable cities and affordable housing for developing economies. |
| **V. Transportation** | 1. Eco-technologies in pavement design & construction of roads & airports.  
2. Traffic Management, operation & safety.  
3. New frontiers in Railway technology. |
VI. Environmental Engineering
1. Green building concept, design & construction technology & their impact on carbon rating.
2. Landfill management technology for energy production.
3. Industrial waste treatment technologies & water pollution.

VII. Water Resource Management
1. Water resource management techniques & technologies.
2. GIS and water shed management techniques.

VIII. Renewable energy
1. Renewable energy, its storage & use.

IX. Application of IT & modeling
1. Application of IT in Civil Engineering projects.
2. Modeling for efficient design of Civil Engineering projects.

X. Disaster Management
1. Disaster preparedness, mitigation & rehabilitation.

SUBMISSION DETAILS:
Abstract and full papers may please be mailed to the Director (Academic) ICE(I) by the stipulated date at directoracademic@ice.net.in

For Template for Abstract Writing and Template for Full Paper please visit CECAR9 Website :- www.cecar9.com/Theme.html

Important Dates

► Call for the Abstracts :- October 1, 2020 - May 31, 2021
► Review of Abstracts :- June 1, 2021 - August 31, 2021
► Notification of Acceptance of Abstracts & call for Full Papers :- September 1, 2021
► Last Date for Submission of Full Papers :- December 15, 2021
► Deadline for submission of revised papers :- January 10, 2022

ONLINE REGISTRATION DATES AND FEE:
Please visit the CECAR9 Website (www.cecar9.com)

Exhibition
There will be an Exhibition for display table top exhibits from companies/organizations which will be of great interest to the attendees of the conference

CONTACT DETAILS:

CHAIR LOC
Mr. Prithipal Singh
Secretary General, ICE(I)
Mobile: +91-9810278560

Dr. S.D Sharma
Director Academic, ICE(I)
