

Prof T.R PIPLANI

A Propeller

Prof. T.R.Piplani is a Professor in Business Management and has assumed the charge as Director (CECAR9) since February 1, 2021. CECAR is a mega triennial event of the Asian Civil Engineering Coordinating Council (ACECC). He brings a goldmine of rich and varied C-level executive experience of over four decades. He is a rare blend of tribes who have the experience with Government,

Industry and Academia. He is passionate towards building a progressive and people-centric culture. Collaborations and receptivity to new ideas and methods are his inherent traits. He has received several prestigious awards for his valuable contribution to Industry.

Prof. T.R.Piplani intends to make CECAR a non-lobbying event working closely with Industry, Governments, Academia and students to further the cause of the Civil Engineering Profession by making salutary contributions in Asia and worldwide.
